- ☐ Action requires an appropriation increase to the Operating Budget
- ☐ Action provides increased revenue for appropriation increase
- ☐ Action requires use of contingency or reserves
- ☐ Other financial impact (Explain):

☐ Request provided to the Budget Office when provided to the Committee Coordinator

Community Impact

Background/Supporting Information Attached

Due to the reconstruction of Central Ave. NE in Columbia Heights in the year 2002 and in Minneapolis in the year 2003 of the existing signal system at Central Ave. NE and 37th Ave. NE. will need to be removed. From the point at which the existing signal is inoperable, to the point where the signal system is replaced permanently, a temporary signal system will be needed. Because of this, the Transportation and Parking Services Division is requesting that the proper City Officials be directed to execute Agreement No. 83465 with The Minnesota Department of Transportation in the amount of \$36,702.00 for the installation of a temporary signal system at the intersection of Central Avenue Northeast (TH 65) and 37th Street Northeast.

Funding for this project has been designated in Transportation's Capital Reimbursable Fund (4100-943-9468). The estimated cost for completing the installation of a temporary signal at the intersection of Central Avenue Northeast and 37th Avenue Northeast is \$36,702, the cost of which will be fully reimbursed by State Funds in accordance with Mn/Dot Agreement No.83456 for S.P. 0207-73, and S.A.P, 141-010-74.

The estimated cost of this temporary signal is \$36,702.00. MnDOT's share of the cost is \$36,702 (100%).

This project will be completed in 2002 by city forces.

T&PW

Your Committee recommends that the proper City Officials be directed to execute Agreement 83456 with the Minnesota Department of Transportation for the amount of \$36,702 for installation of a temporary traffic signal system at the intersection of Central Ave. NE (TH 65) and 37th Avenue Northeast by City Forces.

Directing execution of Agreement 83456 with the Minnesota Department of Transportation.

Resolved by the City Council of the City of Minneapolis

That the proper City Officials be directed to execute Agreement 83456 with the Minnesota Department of Transportation for the installation of a temporary signal system at the intersection of Central Ave. NE. and 37th Ave. NE.
